

# The Jeff Riebe Fund.

## We need your support!

On April 21, 2006, 40 year-old Jeff Riebe was hit by a drunk driver, as he walked down a New York City street. Jeff is currently in a coma, with extensive brain and bone injuries.

To support Jeff and his family, we're hosting events and silent auctions in NYC, Minneapolis and San Francisco. Monies raised will be used for rehabilitation expenses and travel costs for the family during Jeff's hospitalization period. We're asking for your support. Jeff is a loving friend, brother, son, actor, event planner and all around great guy.
